EMERGENCY SERVICES 999 OR 112

Whilst we would love to catch up with you all, with the current restrictions on social distancing and maximum number of people in reception, we are trying to minimise your need to visit reception.

We do not want to sound like we do not want to catch up, but protecting our staff is our main focus at the moment.

Please be aware that if you breach the guidance above, you will be asked to go home and not permitted to return until restrictions are eased. Much of this guidance is a temporary addition to our ongoing park rules, as we work through this post-pandemic period and we will amend and lighten these restrictions as and when it is safe to do so.

We will post regular updates on our website www.wyresidelakes.co.uk and also on our Facebook Page. We Thank for your co-operation and helping to reduce the risk of spreading the virus.
